

NASPCC Webinar Series Presents:

“Optimizing Prostate Cancer Risk Stratification: Potential Role for ‘Unfavorable Histology’”

with Jesse McKenney, MD

Thursday, September 25, 2025

7:00 pm EASTERN / 4:00 pm PACIFIC

To register for this event, please click [here](#) or visit the NASPCC website at www.NASPCC.org

Dr. Jesse McKenney is a Pathologist at the Cleveland Clinic and is a member of their genitourinary section. His work focuses primarily on clinical outcome-based tumor classification, especially in risk stratification for prostate cancer. He has a novel take on what constitutes high-risk prostate cancer.
